## RISE RESEARCH INSTITUTES OF SWEDEN

Borås, Sweden

This product certification body is accredited in accordance with the recognized International Standard ISO/IEC 17065:2012 Requirements for bodies certifying products, processes and services. This product certification body also meets the requirements in A2LA's R312 EPA Title VI Formaldehyde TPCs – Specific Requirements Program. This accreditation demonstrates technical competence for a defined scope and the operation of a management system.

Presented this 23rd day of January 2024.

Trace McInturff, Vice President, Accreditation Services For the Accreditation Council Certificate Number 4975.01 Valid to August 31, 2025
